Beautiful 25 Acres in Stockbridge. Stockbridge Bowl, Tanglewood, the villages of Stockbridge, Lenox, and Housatonic are all nearby. The property consists of two separate building lots - the south lot with 12.56 acres, and the north lot with 12.66 acres. Potential for mountain views from both lots with some clearing. Many possibilities - build on the north lot and keep the south lot for extra acreage, an additional dwelling/guest house or to sell off in the future. Driveway to two sites. Excellent perc results and soil analyses from 2005 and engineered plans available. Great opportunity in Stockbridge.
