\$49,500

10,890 Sqft

Well-located and cleared corner lot with existing curb cuts on both Parker Street and Kellogg Street. The +-0.25-acre parcel is zoned RM, with water, sewer, and natural gas available at the street. Its proximity to Berkshire Health Systems--the region's largest employer - along with walkability to Tyler Street businesses and public transportation, makes this an excellent opportunity for multi-family development. Existing signs to be retained by seller.
