A rare opportunity awaits! Own a developable mountain top in the Berkshires! Your 4B/2.5Bath home is 10 years young with custom kitchen and baths. An unobstructed view of Goose Pond and beyond, it's a 56 acre sanctuary mostly comprised of Oak and Mountain Laurel forest with trails. Enjoy a 40 mile view to Mt. Greylock and views of October Mt. State Park, and boating on Goose Pond (@1/2 mile to the the boat launch). Also viewable is Tyringham Valley, South Lee and Bear Town State Forest. Build another home on the property (ADU or a larger home and keep this as your guest house). Possibilities are endless here! Already in place is a 28'X48' building with 14' ceilings with it's own electric service, (could also be used for horses) and a small barn near the house. A one of a kind offering.
