3 Bedrooms | 2 Bathrooms | 1,652 Sqft

Situated on a corner lot, this 3-bedroom, 2.5-bath home offers a functional layout with thoughtful updates. Located on a cul-de-sac on the outskirts of town, the setting provides reduced through-traffic while remaining convenient to everyday amenities. The main level features a spacious living room with hardwood flooring that flows into a dedicated dining area and an updated kitchen with shaker style cabinetry, stainless steel appliances, and access to the rear deck stretching the entire width of the home. It also includes garage access, a half bathroom, and laundry hookups. Upstairs, features all three bedrooms, including a primary suite with a private bath and walk-in closet. Each bedroom has new flooring, paint, and expansive closet space. Both bathrooms have been completely remodeled with modern finishes. The lower level includes a partially finished basement with a large recreation room or additional living space. Along with a separate utility room with workshop space.
