Rare opportunity to acquire a updated two-family property in Stockbridge with nearly 1.9 acres across two included lots. Come take a look to add your finishing touches to this project. Situated on a dead-end street on a spacious and clear lot. Each unit features three bedrooms and one-and-a-half baths, across approximately 2,700 square feet. Separate utilities for each unit, off street parking, and two new heating systems are ready for installation. Extensive recent updates include a new roof, renovated kitchens, updated flooring, and fresh interior/exterior paint. Conveniently located near downtown Stockbridge, the property offers easy access to some of the Berkshires' most recognized cultural destinations, including Tanglewood, the Norman Rockwell Museum and the vibrant dining, shopping, and arts scene throughout Stockbridge, Lenox, and surrounding Berkshire communities. Opportunities to purchase a vacant two-family property with this amount of land in Stockbridge are exceptionally limited.
