Discover this breathtaking timber-frame home sited on a peaceful and private 10-acre park-like setting central to the Berkshires. Redesigned by architect Pam Sandler, who added a vaulted great room ceiling, a welcoming front porch, a spacious screened porch, and a 3-car garage. Featuring a first-floor en-suite primary bedroom, a generous living & dining area anchored by a commanding fieldstone fireplace, and a well-planned kitchen with all stainless appliances. Three upstairs bedrooms have ample closet space, and the basement family room with a wood-burning stove offers a cozy winter retreat. This eco-friendly home features a newly built barn, solar panels, and heat-pump climate control. There is so much to experience in this beautifully updated home, just 10 minutes from Tanglewood.
