\$1,335,000

4 Bedrooms | 5 Bathrooms | 3,635 Sqft

Nestled in a peaceful, wooded setting, this exceptional home offers the perfect blend of comfort, style, and natural beauty. Sunlight fills the open floor plan through expansive windows, creating bright, inviting living spaces and showcasing scenic views year-round. A soaring stone fireplace anchors the great room, while beautiful hardwood floors flow throughout. Enjoy the screened porch, accessible from both the great room and the first-floor primary suite, for quiet mornings or relaxing evenings. The main level also features a spacious primary suite and convenient first-floor laundry. Upstairs, a generous loft provides flexible living space, along with three additional bedrooms and two full baths, including one en suite. . . . The walkout lower level with full bath and custom built-ins offers endless possibilities for entertaining, recreation, or a home office. Thoughtful design in a tranquil setting have created an exceptional retreat.No showings 8/17 through 8/23.
