Just over the hill from Tanglewood, down a quiet country road, this year-round Richmond retreat blends privacy, rustic character, and expert craftsmanship. The heart of the home is the vaulted great room, where exposed beams, a loft balcony, and a wood stove create a warm gathering space that flows seamlessly into a beautifully crafted three-season porch with interchangeable glass and screen panels overlooking the woodland. Thoughtfully designed to preserve the home's original rustic charm, the spacious primary suite is a private retreat featuring vaulted ceilings, a sitting area with a gas stove, an ensuite bath with a soaking tub, and laundry. Wraparound decks further extend the living space outdoors, embracing the natural landscape. The walk-out lower level provides excellent storage and a single garage bay. This home offers a rare opportunity to enjoy a peaceful woodland retreat just minutes from Tanglewood, Lenox, West Stockbridge, and the Berkshires' celebrated cultural and recreational attractions.
