**MLS# 248066**

**\$475,000**

This stunning 20+ acre building lot in Lenox, with frontage on East and Housatonic St. is the perfect place to build your dream home. The gently sloping land leads up towards westerly sunsets, while offering distant views of October Mountain to the east. With its peaceful and private setting, imagine waking up every day to the stunning views from your new home, surrounded by the serene natural beauty of the Berkshires. Whether you're looking to build a year-round residence or a weekend getaway, this property offers the perfect blend of privacy and convenience. Situated just a short drive from downtown Lenox and its array of amenities, this plot of land truly encompasses everything you could desire.
