2 Bedrooms | 1,164 Sqft

Charming home in a private setting, close to all area attractions. The oversized front porch leads you inside to a light filled first floor, with newly finished hardwood floors and high ceilings. The living and dining rooms offer flexible space for relaxing or entertaining. The kitchen has lovely southern light, as well as access to the back deck for summer dining. Upstairs are two generously sized bedrooms, and a full bathroom w/ laundry. The third floor has a finished bonus space as well as an unfinished storage area. Outdoor amenities include a nice size yard, storage shed, and an in-ground pool. The property has a new 3 bedroom septic system, and a full de-leading compliance certificate. Minutes to downtown W. Stockbridge, 10 minutes to Tanglewood, and 35 minutes to Albany.
